

Assembly Instructions - Elevator Door Section

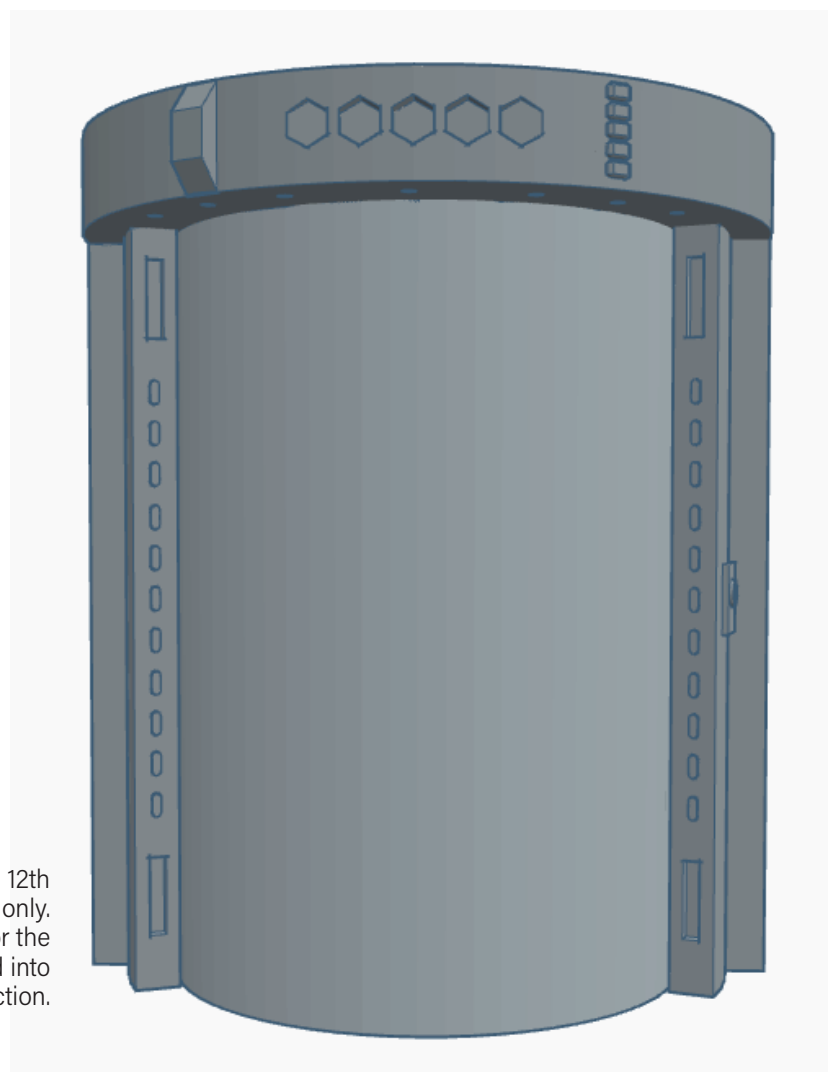

Thank you for your purchase! To assemble the Death Star Elevator Door Section, please follow the recommended assembly instructions to make a section approximately

148mm x 74mm x 180mm tall. Should you need extra help from us with your Redflare Model product, then please don't hesitate to contact us at via our website.

Some cleanup of the parts are required to assemble.

The Elevator Door is compatible with 12th scale (6") figures only.
The half-pipe section of plastic for the elevator door is shown here mounted into the curved top section.
